GA No.1794 of 2001
Old No. 728 of 1988

Hon. P.C. Verma, A.C.J.

Heard Learned A.G.A. and perused the judgment and order dated 10.12.1987 and evidence on record.

From the perusal of the evidcence on record, I find that the acquittal is based on the cogent reasons. Learned A.G.A. could not convince me today any other view than the view taken by the trial Court. I don not find any merit in appeal.

The appeal is accordingly dismissed.
